GARY STRANGE

Pickering Regional Councillor – Ward 2

www.garystrange.com

DEAR FRIENDS AND NEIGHBOURS OF WARD 2:

Over the last 24 years, my wife Connie and I have had the pleasure of raising our 2 daughters while living and working in Pickering. Having attained my Honours BBA from Wilfrid Laurier University, I have made a career as an Insurance Professional for 32 years and am currently Branch Manager of Petley Hare Pickering.

At a young age, I was taught the important life lesson of giving back to your community. It has been my distinct pleasure to volunteer with some outstanding groups such as:

**Ajax Pickering Board
of Trade**

**Durham West Arts Centre
Foundation**

**Rotary Club of
Pickering**

**Wounded Warriors
Canada**

**Epilepsy
Durham Region**

**Pickering Museum Village
Advisory Committee**

Too often I've witnessed candidates struggle to answer what to me is the essential question for anyone seeking public office: Why are you running? I am asking for your support because this is a very critical time for the people of Pickering and Durham Region. Issues of importance to me include:

- **Increased transportation investment to tackle gridlock in our community**
- **Increased economic development on our employment lands to assist in reducing the current high tax burden on the residential taxpayer**
- **Improving our communities by advocating for community infrastructure projects and ensuring that the unique character of our neighbourhoods is preserved**

Both City and Regional councils need to work together and speak with a strong and unified voice for the betterment of all. I believe that I have the skills and proven results to work collaboratively with all levels of government and I am prepared to be your voice in Ward 2! In the coming weeks, I will be in your neighbourhood knocking on doors and I look forward to meeting you!

IN THIS FOR YOU
